Welcome to the EE-Oz ISC's new website and the Refrigeration and Air Conditioning Technical Advisory Committee (RAC TAC) discussion forum. Its purpose is to provide more effective communication and share information in a way that ensures it is always available in the future. Attached is a copy of the Oct 2008 RAC TAC Meeting Minutes http://elt.ee-oz.net.au/images/fbfiles/files/RAC_TAC_Oct_2008_Meeting_Minutes.doc
